Kloshe Urban Indian Program
BUDGET JUSTIFICATION YEAR ONE

| CATEGORY/ITEM DESCRIPTION | Federal Share | Non-Federal Share | CALCULATION AND JUSTIFICATION |
|---------------------------------------|--|-------------------|--|
| PERSONNEL | \$ 110,000 | \$ 25,000 | |
| Project Director - 100% | <p>Federal: The Project Director is 100% of time on the project with 83% of the wages paid with federal funds. The Project Director will be responsible for recruitment and management of all participants, management of the MOUs with the community college, employers, and other partners; collection of data, supervision of the Outreach Specialist and Administrative Assistant, ensuring that planned outcomes and outputs will be achieved as planned, and all other administrative activities. Non Federal: The organization has secured private resources from the Northwest Foundation for 17% of the Project Director's wages.</p> | | |
| Administrative Assistant - 100% | <p>Federal: The Administrative Assistant is 100% of time on the project with 83% of the wages paid with federal funds. The Administrative Assistant will be responsible for providing support to the Project Director and Outreach Specialist, aggregation of all project data, and other administrative activities. Non Federal: The organization has secured private resources from the Northwest Foundation for 17% of the Administrative Assistant's wages.</p> | | |
| Outreach Specialist - 100% | <p>Federal: The Outreach Specialist is 100% of time on the project with 78% of the wages paid with federal funds. The Outreach Specialist will be responsible for recruitment of the project participants, assessing the need for support services, and monitoring the progress of each participant. The Outreach Specialist will also work with the project partners to support the individual development plans of each participant. Non Federal: The organization has secured private resources from the Northwest Foundation for 22% of the Outreach Specialist's wages.</p> | | |
| FRINGE BENEFITS | \$ 38,445 | \$ 8,738 | |
| FICA @ 7.65% | <p>Federal: The amount is the required employer contribution for social security and medicare and is in proportion to the federal wages requested. Non Federal: The amount is in proportion to the wages and supported by the Northwest Foundation.</p> | | |
| FUTA @ .08% | <p>Federal: The amount is the required employer contribution to the federal unemployment fund and is in proportion to the federal wages requested. Non Federal: The amount is in proportion to the wages and supported by the Northwest Foundation.</p> | | |
| SUTA @2.50% | <p>Federal: The amount is the required employer contribution to the state unemployment fund and is in proportion to the non federal wages requested. Non Federal: The amount is in proportion to the wages and supported by the Northwest Foundation.</p> | | |
| Health Insurance @ 18.00% | <p>Federal: The amount is the cost of the organization's health insurance which is provided to all full time employees and is in proportion to the federal wages requested. Non Federal: The amount is in proportion to the wages and supported by the Northwest Foundation.</p> | | |
| Retirement @ 4.00% | <p>Federal: The amount is the retirement plan provided by the organization and is in proportion to the federal wages requested. Non Federal: The amount is in proportion to the wages and supported by the Northwest Foundation.</p> | | |
| Workman's Comp. @ 2.00% | <p>Federal: The amount is the cost for workers' compensation insurance and is in proportion to the federal wages requested. Non Federal: The amount is in proportion to the wages and supported by the Northwest Foundation.</p> | | |
| TRAVEL | \$ 6,918 | \$ - | |
| <i>Post Award Training - 2 people</i> | <p>Federal: The cost includes airfare at \$660 each, four nights lodging at \$146 per night, four and one half days M&IE at \$56 per day, and ground transportation at \$95 for each of the two individuals traveling to ANA Post Award Training. The organization follows the GSA guidelines.</p> | | |
| <i>ANA Grantee Meeting - 2 people</i> | <p>Federal: The cost includes airfare at \$730 each, four nights lodging at \$184 per night, four and one half days M&IE at \$76 per day, and ground transportation at \$60 for each of the two individuals traveling to ANA Grantee Meeting.</p> | | |
| EQUIPMENT | \$ - | \$ - | Not Applicable |
| SUPPLIES | \$ 1,200 | \$ 1,200 | Describe supplies to be purchase and need by project |

| | | | |
|--|---|-----------|----------------|
| General Office Supplies | Federal: The amount is \$100 per month and based on previous projects and the average cost per month for consumable office supplies such as pens, paper, paper clips, etc. Non Federal: The amount is being provided by the grant from the Northwest Foundation. | | |
| CONTRACTUAL | \$ - | \$ - | Not Applicable |
| OTHER | \$ 124,730 | \$ 35,390 | |
| 15 Day Care Stipends | Federal: A survey of the potential participants in the project found that 15 participants will need assistance with day care. The cost is \$200 per week for 26 weeks and the project is sharing the cost with the organization's Department of Labor Employment and Training Program. The ANA project cost will be \$100 per week for 26 weeks for 15 participants. | | |
| 18 Roof trainee and 12 plumber apprentice clothing sets | Federal: Each of the roofer trainees and plumber apprentices will require appropriate work clothes which includes steel toe boots at \$165 each, hard hat at \$60 each, work jeans at \$50 each, and three work shirts at \$20 each. The total cost per trainee is \$335 for 30 trainees. The organization's Employment and Training program and the employers hosting the participants will be providing the tools for each participant | | |
| Roofing certification, computer information courses tuition, and plumber certification tuition | Federal: The cost of classes for the roofing certification is \$399 for each of the 18 trainees, the cost of the 7 programming classes required for certification at the community college is \$525 for each of the 30 students, and the cost of the classes for each of the 12 plumber apprentices is \$900. Based on current industry information it is anticipated that there will be a 20 percent drop out rate and so the cost for new/replacement participants has been factored in. | | |
| Transportation gas cards/bus passes | Federal: A significant barrier for participants is transportation to support the participants gas cards or bus passes will be provided to each participant. The gas cards will be \$15 per week and if the participant is able to use the limited public bus system they will be provided a weekly pass which costs \$15. The programming students will receive gas cards or bus passes each week for 4 months, the roofer trainees and plumber apprentices will be provided gas cards or bus passes each week for 6 months. | | |
| Educational/Career Testing Supplies and Materials | Federal: To ensure the success of each participant the Outreach Specialist will be doing periodic testing of the participants to determine their progress and providing supplemental materials as determined necessary. Although we do not have information on the cost of testing materials, \$100 per participant has been budgeted. | | |
| Participant Meeting Supplies | Non Federal: The organization will be providing printed materials and light refreshments for participants during the scheduled meetings. The cost is an estimate and will be provided by the Northwest Foundation grant. | | |
| Participant Support Costs texts, manuals and supplies | Federal: The cost of the training manual for the plumbers is \$50 each, the average cost of the text books for each of the 7 classes is \$35 per class each, and the cost of the reference manual which each plumber apprentice is required to get is \$215. Again based on current industry information it is anticipated that there will be a 20 percent drop out rate and so the cost for new/replacement participants has been factored in. | | |
| 3 laptops for program implementation/administration | Federal: The quotes the organization received (please see attached) determined that to purchase the laptops with appropriate software the cost will be \$1,500 each. The laptops will be used by each of the 3 staff listed above. | | |
| Steering committee meeting supplies | Non Federal: The organization will be providing printed materials and reports monthly to each of the steering committee member. The anticipated cost for having the monthly packets printed is \$100 per month. Non Federal: The organization will also be providing light refreshments for committee member during the scheduled meetings at a cost of \$20 per meeting. | | |
| Furnished Classroom space rental | Non Federal: The local community college will be providing classroom space for the Project Director and Outreach Specialist to provide job readiness training to participants. The value of the free classroom is \$750 per month for 9 months. | | |
| Furnished Office space rental | Non Federal: The Northwest Foundation grant will pay for the office rental for the 3 staff which is \$750 per month for 12 months. | | |
| Communication (telephones and internet) | Federal: The monthly cost for internet for the 3 staff is \$100 and the monthly cost for telephones is \$150 or \$50 for each line for a total of \$250 per month. | | |

| | |
|--|--|
| Local Mileage | Federal: The Outreach Worker will be using their personal auto to go to participant work sites to assess progress of the roofer and plumber participants. The anticipated mileage is 200 miles per month for 9 months at 57.5 cents per mile. |
| 1 Office printer/copier rental | Non Federal: The cost for the printer/copier for the project is \$250 per month and will be paid by the grant from the Northwest Foundation. |
| Equipped Computer lab space | Non Federal: The local community college will be providing computer lab for the roofer and plumber participants to complete the online certification courses. Also the programmer participants will have use of the computer lab. The cost to rent the lab is \$1,500 per month for 8 months. |
| Utilities (electric, water, and sewer) | Non Federal: The cost for the utilities for the office is \$200 per month based on current cost for other office space of the same size and will be paid by the grant from the Northwest Foundation. |
